URBAN RACKS

INNOVATIVE | BICYCLE PARKING

Security

- Two-point locking bar for security.
- Reinforced with 14 gauge sheet metal construction for superior strength and durability

User Accessibility

- Straight forward key-and-lock system with master key option
- Indoor-use application

Installation

- Installation requires a level concrete floor for anchoring.
- Lockers must be installed against an appropriate pre-existing wall or with the optional back partition plate.

Sustainability

- Lead-free powder coating and galvanizing
- Composed of at least 26% recycled materials

Warranty

- Installation warranty
- Full replacement

Finish

- Powder coated
