

URBAN RACKS

INNOVATIVE | BICYCLE PARKING

Urban Twin Locker Parking Solution

URBAN RACKS

INNOVATIVE | BICYCLE PARKING

Security

- Three-point rotational locking bars for optimum security
- Reinforced heavy sheet metal construction for superior strength and durability.

User Accessibility

- Two bikes per locker with two separate access doors, one on each end.
- Integrated floor pan so dirt and leaves won't collect inside the locker
- Slanted roof tops allow for easy drainage.

Sustainability

- Contributes to LEED v4 credits
- Lead-free powder coating and galvanizing
- Composed of at least 26% recycled materials

Warranty

- Installation warranty
- Full replacement

Finish & Customization

- Powder coated
- Optional custom wrapping and colors available
